

Ordering instructions

Please find the appropriate price in the price list below. Print the order form on the next page and enter the quantity and price. Also, please enter the appropriate shipping charges for domestic or international orders. Complete name and address information and credit card information. Fax the completed form to Allison Geoscience at 770-535-0273. If you are ordering the Student version, you must also fax an official ID showing your status as an active student at a college or university. See our website for a complete description of each version.

For other payment options or to arrange to have the model sent via email or download, please call us at 1-877-352-0908 or send email to minteq@allisongeoscience.com.

Price list:

STANDARD version		
1 or 2 copies	\$ 495.00 each*	Full version, printed manual, and full technical support
3 or more copies	\$ 445.50 each*	Full version, printed manual, and full technical support; this is a 10% multi-volume discount from regular price.
• U.S. government institutions may take an additional 10% off prices shown		
ACADEMIC version (available only to academic institutions)		
1 or 2 copies	\$ 396.00 each	Full version, printed manual, and full technical support; this is a 20 % discount off regular price.
3 or more copies	\$ 322.00 each	Full version, printed manual and full technical support; this is a 35 % discount off regular price.
STUDENT version (individual copies available only to students; multiple copies available to academic institutions as part of Instructional Bundles (see below); student must fax proof of registration at institution of higher learning)		
1 or more copies	\$ 89.95 each	Includes full thermodynamic database and all capabilities of Academic and Standard versions; limited technical support; does not include a printed user manual
INSTRUCTIONAL Bundles (available only to academic institutions)		
1 or 2 bundles	\$ 750.00 each	Each bundle includes one Academic version and a multi-user license for five Student versions; includes full technical support. The Student versions remain the property of the academic institution-- individual copies are not to be permanently given to students. The students are expected to delete copies used in a particular course when the course is concluded. Of course, the university may issue new copies to other students when the course is offered again.
3 or more bundles	\$ 650.00 each	
Shipping and Handling:		
Domestic (U.S): \$ 6.00 per order		
International: \$ 10.00 per order		

All prices are in U.S. dollars and are subject to change without notice.
